SPEAK WIN

Hughes Boys Media, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The message is a simple one. Verbal communication is a vital key to success in this new century. Highly developed verbal communication skills give you an edge to keep abreast with the fast pace of the times. Developing your public speaking skills will greatly improve your communication skills. We all admire people who can get ideas across in a clear manner, people who speak with knowledge and passion. These are the people who excel. My question to you is; would you like to be one of these people? Now let me ask you a few more questions; does the thought of getting up to speak in front of other people scare you almost witless? Is it hard to find the right words to convey your thoughts, or worse, do you get up to speak and draw a complete blank? Do you get sweaty palms, butterflies, and all those other wonderful anxiety symptoms when you are in front of others speaking? If you answered yes to any of these questions, then let me ask you this; do you want to learn how to create a confident and enthusiastic way to deliver presentations? Do you want to have the skills to get up in front of people and actually enjoy the moment? Do you want to have the audience excited to see you arrive on stage, and sorry to see you leave? Speak Win is a book that I have created for you. The you who is afraid to deliver that speech; the you that is afraid to make that presentation, and most importantly, the you who wants to be more, and have more. So join me on this...
