

Dispatches from the Occupation: A History of Change (Paperback)

By Stephen Collis

Talon Books, Canada, Canada, 2012. Paperback. Condition: New. Language: English . Brand New Book. Somewhere at the core of almost every intellectual discipline is an attempt to explain change - why and how things change, and how we negotiate these transformations. These are among the most ancient of philosophical questions. In this collection of essays, award-winning poet Stephen Collis investigates how the Occupy movement grapples with these questions as it once again takes up the cause of social, economic, and political change. Dispatches from the Occupation opens with a meditation on the Occupy movement and its place in the history of recent social movements. Strategies, tactics, and the experiments with participatory democracy and direct action are carefully parsed and explained. How a movement for social, economic, and political change emerges, and how it might be sustained, are at the heart of this exploration. Comprising the second section of the book is a series of dispatches from the day-to-day unfolding of the occupation in Vancouver's city centre as the author witnessed it - and participated in it - first hand: short manifestos, theoretical musings, and utopian proposals. The global Occupy movement has only just begun, and as such this book presents...
