

The Psalm Killer (Paperback)

By Chris Petit

Pan MacMillan, United Kingdom, 2016. Paperback. Condition: New. Main Market Ed. Language: English . Brand New Book. With an introduction by Alan Moore it was always the same nightmare. Cross saw them lined up in rows, in stretches of city wasteland - those derelict spaces once described to him by a child as the blank bits where things had been before they'd got blown up. It is 1985 and a killer moves through Belfast's blighted streets. In a time and place ruled and divided by political and religious differences, this series of crimes cuts across all those boundaries. Detective Inspector Cross, together with Westerby, a young policewoman, enters a maze of conspiracy and paranoia, and, as the investigation draws closer to the truth, they find themselves in a nightmare world, with little hope of escape. The Psalm Killer is Chris Petit's epic thriller set during the Irish Troubles. Masterfully written, disturbing and exciting, it is a book of immense intelligence and a real classic of its genre.
