

The Dawn of the Health Age (Paperback)

Filesize: 8.99 MB

Reviews

This publication is very gripping and interesting. We have go through and so i am confident that i am going to planning to read through yet again again in the foreseeable future. You are going to like how the blogger write this ebook.
(Dr. Thaddeus Turner PhD)

THE DAWN OF THE HEALTH AGE (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is another evidence of the growing popular interest in health topics. While written by an Englishman, it applies to conditions in the United States as well as in Great Britain. The author endeavors to demonstrate the necessity for an entire remodeling of the present system of medical service in the interest of the whole community, by showing that thousands of lives and millions of money can be saved every year if disease is attacked on scientific principles instead of being dallied with as at present. Dr. Moore advocates a system of state medicine by which competent physicians are made officers of the state for the suppression of disease, as police officers are employed for the suppression of crime. The author has evidently a strong tendency toward state socialism. Great Britain is apparently farther advanced along this line than the United States, as is shown by existing British laws regarding invalidity insurance, employers liability, care of the sick by the state, workingmen s insurance, etc. While one may not agree with all of the conclusions, the book is interesting and suggestive. Chapters on the follies of present public health service, the doctor and his patient in private practice and in state practice, the evils and abuse of hospital systems and the evolution of a national medical service contain the basic facts and theories from which the proposed system of the writer is developed. Evidently the advocates of public health reform in England have encountered the same opposition as that met in this country, as is shown by the comments of the author on the objection that such a plan would be an invasion of personal liberty. He says, Let...
