The ultimate space opera spoof! - Locus on Fantasy What is the mysterious Fellowship of the Thing? It s the wildest mash-up you ll ever read. Ever wonder what might happen if Conan the Cimmerian and James Bond were forced to share a mission? Bring together an obstinate organist, a cynical spy, a worried wizard, telepathic twins, an inquisitive anthropoid, an alluring actress and a bean-eating barbarian. Weld them into a crack team to fight a plague of voracious energy vampires created by a misguided alien race. Together, they form an elite corps on which the fate of literally everybody in the universe depends. The problem is, the members of the Fellowship can t stand each other - and they don t want to go . . . Their story is a wildly uninhibited comic thriller, chock-full of every preposterous ingredient from flying saucers manned (if that s the right word) by giant Amazons from outer space to Satan s South American playground, complete with demonic police out of Dante s Inferno. These mismatched characters form the unlikeliest team-up since the Three Stooges met Hercules. Add sinister clones animated by creatures like Maxwell s Demon with a sweet tooth for humans and a kinky werejaguar fond of transforming various body parts to surprise her lovers, and the result is the wildest roller-coaster ride you ll ever read!.
