

Cross-Cultural Knowledge Management: Fostering Innovation and Collaboration Inside the Multicultural Enterprise

By Elias G. Carayannis

Springer. Hardcover. Book Condition: New. Hardcover. 166 pages. Dimensions: 9.2in. x 6.1in. x 0.6in. Cross-cultural knowledge management, an elusive yet consequential phenomenon, is becoming an increasingly essential factor in organizational practice and policy in the era of globalization. In order to overcome culturally shaped blind spots in conducting research in different settings, this volume highlights how the structuring of roles, interests, and power among different organizational elements, such as teams, departments, and management hierarchies (each comprised of members from different intellectual and professional backgrounds), generates various paradoxes and tensions that bring into play a set of dynamics that have an impact on learning processes. In this context, such questions often arise: How is knowledge shared in the multicultural organization? What problems and issues emerge? How do different mentalities affect people's responses to new knowledge and new ideas? How can knowledge-sharing processes be improved? Under which conditions do ideas generated by units or groups of different cultural traditions have a chance of being heard and implemented? Such questions translate into an investigation of potential managerial dilemmas that occur when different but equally valid choices create tensions in decision making. The authors draw from experiences working with a wide variety of organizations, and insights...

Reviews

It is just one of the most popular ebooks. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).

-- **Matteo Torp**

Unquestionably, this is the best work by any author. Better than never, though I am quite late in starting reading this one. I realized this publication from my dad and I advised this PDF to find out.
