Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Scientific Basis of Medicine But the revolt from ignorance, which is called the heresy of one age, becomes the reform of the next, and the established order of the third; and so it has been with this great reform in medicine, and will continue to be. Another object is to point out that, while it is a very simple matter to prescribe, for example, Digitalis for a weak heart, or a bromide for an abnormally excited nervous system, such crush prescriptions are apt to be as dangerous in the long run as Colonel Hay's nigger squat on the safety valve; it is far more difficult, but also much better, to adjust the valves, stop the foaming in the boiler and the knocking in the cylinders, and so restore the normal swing of the machinery to its highest efficiency. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
