An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. An inspirational book of poems and reflections by Sister Charlotte Patricia North, the fifth sister in the North family from Raharney in Co. Westmeath, Ireland. Sister Charlotte entered the Sacred Heart convent in Dundrum, Mount Anvil at 16 years of age. Left behind were both parents and four sisters. She took her final vows some years later. Sister Charlotte was a good singer and played music, and trained as a nursing sister. She was very dedicated to her family and her convent. She was also a poetess and was a very loving and friendly person, always speaking about her parents and relating happy stories of her childhood. She loved life and the poor, always wanting to help them. She lives on through her poetry, and hopefully the proceeds from this book will go to helping the homeless and the poor, both in Dublin and Bristol, and in far off places like Africa, India and so on . She was close to God.
