*Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Penguin Group (NZ), New Zealand, 2001. Paperback. Book Condition: New. 201 x 130 mm. Language: English . Brand New Book. Ramsay is a man twice born, a man who has returned from the hell of the battle-grave at Passchendaele in World War I decorated with the Victoria Cross and destined to be caught in a no man s land where memory, history, and myth collide. As Ramsay tells his story, it begins to seem that from boyhood, he has exerted a perhaps mystical, perhaps pernicious, influence on those around him. His apparently innocent involvement in such innocuous events as the throwing of a snowball or the teaching of card tricks to a small boy in the end prove neither innocent nor innocuous. *Fifth Business* stands alone as a remarkable story told by a rational man who discovers that the marvelous is only another aspect of the real. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
