Reviews

This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

LUCKY TO LIVE IN GEORGIA (HARDBACK)

Arcadia Publishing (SC), United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. What do you get when you cross a read-aloud storybook with a write-in memory book? Magic moments between kids and adults! The Lucky to Live in Georgia book is the perfect tool to jump-start meaningful conversations between generations. Read-aloud rhymes set up interesting topics. Then write-in prompts invite children to record their own views to create a personal Peach State keepsake. The real gift lies in the interactive nature of the book as it offers the perfect opportunity for adults to share their own stories and wisdom about such issues as friendship, community, team spirit, and other topics that help develop a child s social and emotional skills. Customized Georgia content--from favorite local cuisine (peach pie) to interesting attractions (Jekyll Island)--provides an even more personalized experience.
