Brand New Book ***** Print on Demand *****.167 rules that every young man should read and memorize. We aren't all born geniuses. We aren't all born with extraordinary gifts. We aren't all told at a young age that we will be destined for greatness. Does that mean that regular human beings born into ordinary circumstances can't achieve great things? It doesn't. The word can't is not within a superman's vocabulary. This is an important and fascinating book that men wish they had access to at a younger age. A curated collection of private notes organized into a series of 6 fundamental pillars that can redefine human beings into the evolution of today's modern man. These building blocks of wisdom were collected over years from various mentors and gained from personal, business and random observations. Reprogram your thinking to build and achieve the life you always imagined for yourself. The answers all lie within you, the key is to understand how to unlock and utilize your natural born gifts as tools that can shape the world around you into the life you want it to be. Let this book be a guide to show you how. This Book may just change your life.
