Rich imagery is accompanied by Keaton s ideas for selecting furniture, kitchen layout, and bedroom design; she talks about the importance of lighting in the bathroom and why the living room needs to be reimagined. Beyond the interior, she explores curb appeal and environmental sensitivity, always with an eye to making home the way it should be a place of tranquility, a place where one is restored and where one returns to dream again and again. The book culminates in the dream realized, the house she has imagined, designed, and made, now shared with the world for the first time in all-new photography.
