Simply no phrases to explain. It is definitely simplistic but shocks from the fifty percent from the pdf. You may like the way the blogger write this ebook.

PUNK ROCK PEOPLE MANAGEMENT: A NO-NONSENSE GUIDE TO HIRING, INSPIRING AND FIRING STAFF

Cultured Llama. Paperback. Condition: New. 40 pages. Dimensions: 8.3in. x 5.6in. x 0.3in. Having run The Chartered Institute of Personnel and Development (CIPD) in Kent, been a board member and worked with HR people for far too many years than I can remember, I have had deep experience of the good, the bad and the ugly of a profession that is: (a) essential since people matter and; (b) essentially confused since some HR people have no idea how to deal with people. Having suffered lengthy meetings with no results, I decided it was time for something simpler, shorter and more authentic than the usual War and Peace HR textbooks. In Punk Rock People Management I have stripped down HR to the bare essentials for busy people and those who are sick of HR jargon getting in the way of running a business. In the spirit of punk, each chapter is just one page long, which means that you can read a chapter in less time than it takes to pogo to a Sex Pistols or Linkin Park song! On hearing of the concept, Tom Peters, the worlds greatest business thinker, author and speaker sent me a mail with just two words in it: Do it! Now thats what I call a Punk Rock Business Guru ! : -) Punk Rock PM is organised using the classic Life, Sex and Death HR cycle, in other words Hiring, Inspiring and Firing. To whet your appetite, some of the chapter titles are: Selection Shall I stay or shall I go Engagement Pretty vacant Innovation Whats new pussycat Conflict Who killed Bambi If you have to get things done with people and cant get no satisfaction from an HR textbook, try Punk Rock PM for a refreshing difference. If you like Punk Rock PM, fast...
