Reviews

This publication is worth getting. This is certainly for those who state that there was not a well worth studying. It's been written in an exceptionally simple way in fact it is only after I finished reading through this eBook in which in fact transformed me, modify the way I believe.

THE DETROIT FRANKFURT SCHOOL DISCUSSION GROUP

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English. Brand New. Colin, a newly divorced lecturer of critical theory, wants to spice up his life. He attempts to learn Russian, gives online dating a go, and even entertains the idea of becoming an alcoholic - but nothing sticks. So when two young women he’s never met before ask him to party, he ignores the red flags and climbs into their car. Almost as quickly as they pull away from the curb, Colin learns they’re not headed to a party: they’re headed to an abandoned building in Detroit to discuss the Frankfurt School of Critical Theory. And Colin is slated to be the guest speaker, whether he likes it or not.
