Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Excerpt from Man From His Cradle to His Grave These things have I spoken unto you, that in me ye might have peace in the world; ye shall have tribulation: but be of good cheer, I have overcome the world. But sad it is to ask, how long did this victory, gained through the loving kindness, long suffering and death of our blessed Saviour last, and where is the true religion amongst the ten thousand diverse and warring creeds, now to be found. It is a most solemn and grievous fact, beyond all quibble, that the selfish and vainglorious ambition of leaders in the church of Christ, (as has been prophesied by him) have extinguished almost every spark of vital religion, and substituted a puritanical and oppressive code of dogmas and artistic forms in its stead. A cold and hollow hearted sectarian faith has become the merit of a modern membership, which faith, I shall show, from the true character of the human mind, is a thing that has no merit whatever in it. For where is the great virtue in believing that two and two make four, or the crime in disbelieving that they make ten. And thus it is that human opinion or faith is governed alike in all things. I shall teach that it is safer to be good and not appear good, than to appear good and not be good, and that religion is more in a simple and sincere heart, than in the artifice and quibble of the brain.
