

Why Save the Bankers?: And Other Essays on Our Economic and Political Crisis (Paperback)

Filesize: 4.39 MB

Reviews

A really awesome publication with perfect and lucid reasons. I was able to comprehend every thing using this published e.pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Mariner Books, United States, 2017. Paperback. Condition: New. Annotated edition. Language: English . Brand New Book. Piketty unleashed on real-time economics is a revelation. -- Guardian Thomas Piketty's work has proved that unfettered markets lead to increasing inequality. Without meaningful regulation, capitalist economies will concentrate wealth in an ever smaller number of hands. For years, this critical challenge to democracy has been the focus of Piketty's monthly newspaper columns, which pierce the surface of current events to reveal the economic forces underneath. Why Save the Bankers? brings together selected columns from the period bookended by the September 2008 collapse of Lehman Brothers and the terrorist attacks in Paris in November 2015. In crystalline prose, Piketty examines a wide range of topics, and along the way he decodes the European Union's economic troubles, weighs in on oligarchy in the United States, wonders whether debts actually need to be paid back, and discovers surprising lessons about inequality by examining the career of Steve Jobs. Coursing with insight and flashes of wit, these brief essays offer a view of recent history through the eyes of one of the most influential economic thinkers of our time. ? Anyone with an interest in politics, monetary policy, or international diplomacy will get a kick out of Piketty's clear discussion. -- Shelf Awareness If you have been influenced by Piketty's landmark work on inequality, make sure to read this next. -- Naomi Klein, author of The Shock Doctrine and This Changes Everything.
