Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Catalogue of the School of Pharmacy for the Collegiate Year 1894- 95: Also, Announcements for 1895- 96 Pharmacy. - Remington s Practice and Sayre s Essentials. A review of the important features of the Junior course is given at the beginning of the year , followed by lectures devoted more particularly to pharmaceutical chemistry. The subsequent lectures embrace a more careful study of the organic substances used in medicine, their constituents, chemical and physical characteristics, and application in the preparations of the United States Pharmacopoeia. Each drug is considered individually, but drugs and their preparations are so grouped as to make prominent a study of the proximate principles. For instance, those containing gums and mucilage will be associated on the one hand, and those containing proximate principles on the other. Subsequently, the organic substances obtained from the ani mal kingdom are considered. In the second half of this term, laboratory work in drug assay, detection and quantitative estimation Of adulterations and impuri ties, and standardization of pharmaceutical preparations, occupies every afternoon of the week. Every day (a), 10 to 12. Professor...
