Filesize: 9.71 MB

Reviews

If you need to adding benefit, a must buy book. it absolutely was writtern extremely perfectly and beneficial. You are going to like the way the blogger compose this publication.
(Orlando Abernathy)

THE CONSCIENCE CLAUSE: ITS HISTORY, TERMS, EFFECT, AND PRINCIPLE; A REPLY TO ARCHDEACON DENISON (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Conscience Clause: Its History, Terms, Effect, and Principle; A Reply to Archdeacon Denison I venture to appeal to the Opponents of the clause to give a careful consideration to the facts and arguments of this address; and to its ardent supporters to be patient of the tone of apology and expostulation into which I have been led. This was unavoidable in a condo ad clerum, and if any one is disposed to under estimate the amount and force of the feeling against it on the part of the Church, I can only point to the recent majority against the clause in the Lower House of Con vocation, which, whatever its defects or sins, does cer tainly include many of the best and ablest clergymen in the country. I am well aware that the facts are diffe rently interpreted by many able and excellent men that some of my arguments will not only not com mend the clause to some of its adversaries, but will confirm their suspicions of it. Nevertheless, I trust I have suggested grounds on which all, or nearly all, may consent to adopt some arrangement of the kind pro posed. And my object has been that alone - to advocate the acceptance, on whatever grounds and in whatever form may finally be agreed upon, of a stipulation which I believe that the State has every right to demand, and the Church every obligation and inducement to give. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
