Xulon Press, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. FAITH EXPECTS MUCH! Every word in FAITH MATTERS, Standing on the Threshold of Expectation is the truth of God s deep desire to be in relationship with us! These pages reveal Judith Butler s testament to the willingness of God to pull us UP and OUT of any situation. The 1980 s was a decade of shattered dreams and financial calamity for farmers across this land. People lost faith in God, in the land, and in each other while Judy s own life spiraled downward from a difficult and painful divorce. Barely able to remember the peaceful years of fellowship with Christian friends, church, and Bible studies, depression ran it s course. Emerging from her own point of despair meant setting her face like flint against the rulers of darkness-engaging in spiritual warfare as never before! Thus began her ascent through layers of forgiveness and an unrelenting search into God s Word-unlocking what it means to co-labor with Him through His Holy Spirit. Within each chapter, Butler demonstrates that the Word of God is Truth- Powerful Truth beyond all understanding-and it accomplishes much in the lives of Believers. It is His will to make our feet like hind s feet-stabilizing us-until we open our eyes to the realization that He has already rescued us and given us Victory through spiritual warfare strategies as He carries us to the very mountaintops of healing, restoration, and happiness!.
