

The Rainy Day Book

By Jane Kolar

Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.For some few, writing comes easily without practice or training, but for the great majority it develops only with training and much application. The most difficult part seems, for most students, to be the beginning: what to write about and how to get into that first sentence. This book is designed to set a scene, giving the student a beginning, a focus point for them to launch into their own imagination and expand upon that point. It is an invaluable tool for teachers, who have heavy workloads already, to stimulate students imagination and thus bring them to be more competent writers. Writing well is the key to success in the academic world, for few who cannot put their thoughts on paper in an orderly and logical manner will succeed in higher education. All aspects of writing are important --- sentence structure, spelling, and organization of thoughts are valuable tools --- but the most important tools are a stimulated imagination and having had acknowledgement of the creative effort. The Rainy Day Book began as The Very Boring Day Book,...
