

Walking/ Wild Apples (Annotated) (Paperback)

By Henry Daved Thoreau

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Annotated. Language: English . Brand New Book ***** Print on Demand *****.Walking/ Wild Apples is a compilation of two classic philosophical nature essays by the great American naturalist and philosopher, Henry David Thoreau. I wish to speak a word for Nature, for absolute freedom and wildness, as contrasted with a freedom and culture merely civil--to regard man as an inhabitant, or a part and parcel of Nature, rather than a member of society. I wish to make an extreme statement, if so I may make an emphatic one, for there are enough champions of civilization: the minister and the school committee and every one of you will take care of that.
