THE HISTORY OF THE REBEL ALLIANCE! - The Secret History of the War in Heaven! Most wars are caused from grievances left over from a previous conflict. The American War of Independence was caused from grievances left over from the French Indian War, World War II was caused from German grievances left over from World War I, and the war that is being fought in Heaven is also being fought over past grievances. However, the root cause of this rebellion can be traced back to a war that was fought over one billion years ago, which today is simply referred to as the Great Cataclysm. This brief 19,000 word book covers over one billion years of history. The problems with THE ANCIENT OF DAYS, the rise of Satan and Lucifer, the rebellion against Michael, the destruction of Atlantis, Christ coming to our world, Jesus crucifixion, and the fall of Satan. Now, that we are moving into the year 2012 and the coming Earth Changes, their promised return to help save humanity as our entire galaxy prepares for all out war. However, as in so many alien invasion movies, they are coming in a large fleet of ships. But, is this the Rapture, the promised rescue mission, or is this the return of the gods? The History of the Rebel Alliance is the first of a series of books that explain the secret history of the war in heaven, and how it affects all of mankind. This book is not fiction, but is channeled, and goes into details that are impossible for anyone to know. It will be praised as a work of God by some and as a work of the devil...
