Barrytown Ltd ,U.S., United States, 1998. Paperback. Book Condition: New. 229 x 153 mm. Language: English . Brand New Book. Fiction. David Green is a lecturer in English at Boston University. David Green s novel ATCHLEY furthers the contemporary dialogue between deconstructionist philosophy and postmodern fiction with the propounding of an engaging literary enigma: Has a certain author of Borgesian fictions invented the critic who writes about him, or has an ingenious critic invented the author about whom he has become a leading expert? Taken as a whole, ATCHLEY is a genuine inquiry into the relationship between two styles of writing, two uses of mind, and two ways of being -- Charles Stein, author of THE HAT RACK, (Station Hill Press).
