Think again! When it comes to the GED, you want to be prepared. While there is no official passing or failing with the GED, you don't want to waste time and money having to study all over again because your score was too low to be accepted by your school of choice. You want to accelerate your education, not miss opportunities for starting your future career! Every year, thousands of people think that they are ready for the GED, but realize too late when they get their score back that they were not ready at all. They weren't incapable, and they certainly did their best, but they simply weren't studying the right way. There are a variety of methods to prepare for the GED, and they get a variety of results. Trivium Test Prep's Secrets to Outsmart the GED provides the information, secrets, and confidence needed to get you the score you need the first time around. Losing points on the GED exam can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our GED study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand, and have fully-explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam; GED practice questions are included so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven not filled with excess junk, silly attempts at humor,...
