Dey Street Books, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Robert Plant by Paul Rees is the definitive biography of Led Zeppelin s legendary frontman. As lead singer for one of the biggest and most influential rock bands of all time--whose song Stairway to Heaven has been played more times on American radio than any other track--Robert Plant defined what it means to be a rock god. Over the course of his twenty-year career, British music journalist and editor Paul Rees has interviewed such greats as Sir Paul McCartney, Bruce Springsteen, Madonna, Bono, and AC/DC. Rees now offers a full portrait of Robert Plant for the first time, exploring the forces that shaped him, the ravaging highs and lows of the Zeppelin years--including his relationship with Jimmy Page and John Bonham--and his life as a solo artist today. Illustrated with more than two dozen photographs, Robert Plant: A Life is the never-before-told story of a gifted, complicated music icon who changed the face of rock n roll.
