Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. - Are you looking for a relaxing hobby? Figure Out Your Craftiness Quotient! By checking out multiple options! Do you have friends or family members who always seem to be doing something creative? Maybe your best friend is really great at flower arranging. Perhaps you ve got a brother in law who excels at making pottery. Have you ever noticed that people who have hobbies, especially creative ones, always seem happier? For some reason they are more fulfilled and their stress level appears lower than their un-hobbyed counterparts? So there is no such word. Let s try hobby challenged then, okay? All kidding aside, there may be scientific studies that match up happiness and hobbies. If there are, I didn t find them. But if you open your mind and your eyes to the people in your world you will find happier people are creative people. They do stuff just for the pure joy it brings to their lives. 3 Reasons Why You Should Learn About Hobbies After reading the previous paragraph the first reason should be obvious. People...
