Tru Publishing, United States, 2014. Hardback. Condition: New. Stephanie Mullani (illustrator). Language: English . Brand New Book ***** Print on Demand *****.Believe You Are Beautiful is a delightful book filled with life lessons for adults and children. A caterpillar turning into a butterfly is the basis for this timeless fable that perfectly describes the message of the book - beauty is on the inside. Children will love following Caterpillar after he gets bullied by an ant, seeks wisdom from Owl, and completes his journey of transformation. This story of self-discovery, and the beautifully illustrated characters, will keep children fully engaged while learning to love themselves and respect differences in others. Reading Believe You Are Beautiful to a child is the first step to encoding the message that beauty exists within, and that differences are to be celebrated, not put down. Healthy self-esteem is the foundation for a child being less likely to harm self or others. Believe You Are Beautiful provides a child mental tools to deal with being bullied while laying groundwork for acceptance of others. Don't miss out on this fun, yet very important book. Less bullies, less victims, less self-harm, more love!.
