Robinswood Press, United Kingdom, 2005. Spiral bound. Condition: New. Fred Chevalier (illustrator). Language: English . Brand New Book. The second book of the Left Hand Writing Skills series, containing a further 28 worksheets, begins with revision of the essential letter formation exercises in Book 1. The following worksheets focus on the flow of letters into word formation. Through extensive practice with patterns, different forms of letter-joining and full word formation, the left-handed writer should have begun to establish the fundamental good habits of hold, position and control which handwriting requires. The antics of Pencil Pat and his gang keep up the level of enjoyment and satisfaction as the child works through these exercises.
