KEY CONCEPTS IN MEASUREMENT (PAPERBACK)

Oxford University Press Inc, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Measurement refers generally to the process of assigning a numeric value to, or ordering characteristics or traits of, entities under study. Measurement is necessary for building and testing theory, specifying problems, and defining goals. It is arguably one of the most important and difficult tasks in social work research. Social work researchers who are not expert in developing, selecting, and using measures will not..
