Reviews

This sort of book is everything and taught me to seeking forward and more. This really is for those who statte there had not been a well worth reading. I found out this pdf from my i and dad advised this book to discover.

(Prof. Griffin Murphy)

NAKED PORTRAIT (PAPERBACK)

National Galleries of Scotland, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. This is the first study of a fascinating, international phenomenon in the art of the past century. Naked portraiture is an original hybrid of the traditional genres of the nude and portrait, and has been created by an astonishing range of major artists, in many different media and in a variety of major artistic centres. Martin Hammer s ground-breaking book compares work by painters such as Egon Schiele, Paula Modersohn-Becker, Pierre Bonnard, Stanley Spencer, Lucian Freud, Tracey Emin and Jenny Saville. The analysis encompasses a rich tradition of naked portraiture using photographic media, produced by figures such as Alfred Stieglitz, Richard Avedon, Diane Arbus, Boris Mikhailov, Nan Goldin, Gary Schneider and Melanie Manchot. The subjects are men and woman, old and young, black and white, healthy and disabled. They might be lovers, close relatives or friends, with their nakedness suggesting the intimacy and tenderness existing between artist and subject. Conversely, the artist might not know them.
