

Government and Freedom: The Power to Decide

By Garth Seehawer

New Media Jet, LLC, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.John Locke s Two Treatises on Civil Government was published in 1690. That work provided the philosophical basis underlying the United States Constitution. Locke s philosophy dealt with natural law and civil power. All forms of power, in fact, are subject to scientific laws which govern the exercise of and the evolution of that power. There have been no writings in the 322 years from 1690 to today which make the leap from philosophy to science. Fifty-one years of observing, deducing, testing and refining conclusions has accomplished that leap. Government and Freedom: The Power to Decide reveals the ways in which power evolves and the body of scientific laws which govern it. This is a primer on power. It is tersely written and easy to read. After reading this book you will see history, government, economics, military science, social conflict, international affairs, religion and all other forms of human decision making structures with new insight and with new understanding of how decision events fit into human progress. Power, like matter and energy, is unlimited in...

Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Miss Celia Volkman**

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
