Bibliogov, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Pursuant to a legislative requirement and a congressional request, GAO reviewed the Department of Defense s (DOD) military construction planning and design (PD) costs, focusing on: (1) trends in PD costs for the military services and DOD agencies; (2) the percentage of total project costs directed to PD; and (3) a comparison of DOD PD percentages to those of four civilian federal agencies. GAO found that: (1) the percentages of DOD construction costs devoted to PD were relatively constant for fiscal year (FY) 1989 through FY 1992; (2) lower cost projects tended to have a higher percentage of PD costs than higher cost projects; (3) there were no clear trends in PD costs, but the Air Force s and defense agencies PD percentages were significantly higher than the Army s PD percentages; (4) DOD PD percentages were generally higher than those of the other federal agencies because the agencies did not include some administrative costs in their PD costs; (5) DOD had significantly higher PD costs for its medical facilities than did the Department of Veterans Affairs (VA); (6) the military services and...
