

The Power of Teacher Networks (Paperback)

By -

SAGE Publications Inc, United States, 2009. Paperback. Condition: New. New. Language: English . Brand New Book. When teachers network, they become a social force for the good of society and each child in their classrooms. This book is a must-read for anyone who cares about teaching and teacher development -Mary M. Brabeck, Dean and Professor of Applied Psychology , Steinhardt School of Culture, Education, and Human Development, New York University This book is essential for anyone interested in the future of public education in America. Embedded in the notion that teachers are the solution, not the problem, this book explores how teachers can create a vision, find a voice, manage a growing network, and make a difference. Surely there is nothing more important as we grapple with how best to move forward -Bill Cirone, Superintendent Santa Barbara County Education Office, CA This resource makes a most compelling case for the centrality of professional community to excellent teaching. It provides a ringing clarion call for teacher collaboration and for grounding educational policy in the real world of the classroom and the school. Part how-to manual for building teacher networks and part chronicle of the authors successful work, this book sets forth...
