By Laura Alderson

Outskirts Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A true horror story beyond your worst nightmares! Within the pages of this book is the detailed story of my experiences after agreeing to co-sign a home equity loan for my brother, my only surviving, immediate family member. He had amassed a huge credit card debt through the years. I loved him, trusted him and chose to try and help him. The horrifying sequence of events that unfolded just one year later will chill you to the bone. It s a horrifying story and the most horrifying aspect is that every word of it is true. Hopefully, it will enlighten and frighten anyone who is considering co-signing anything for anyone. I sincerely hope so because I wouldn t wish this continuing nightmare on even my worst enemies.
