

## Electronic Signatures: Volume 5: Electronic Signatures Authentication Technology from a Legal Perspective v. 5 (Hardback)

Filesize: 5.15 MB

### **Reviews**

*The ebook is easy in go through easier to recognize. We have study and i am certain that i will planning to read through once again once again in the future. I am quickly will get a pleasure of studying a composed publication.*

*(Prof. Adah Mertz Sr.)*

## ELECTRONIC SIGNATURES: VOLUME 5: ELECTRONIC SIGNATURES AUTHENTICATION TECHNOLOGY FROM A LEGAL PERSPECTIVE V. 5 (HARDBACK)

T.M.C. Asser Press, Netherlands, 2004. Hardback. Condition: New. Edition. ed.. Language: English . Brand New Book. With these issues the subject of legal usability is not completely covered. Enforcement is perhaps the most obvious issue that is not dealt with. Therefore I will indicate for what reason enforcement has been omitted as a separate issue. This has the following background. A signature may alleviate evidentiary burdens that may arise when enforcing a contract, but enforcing a contract involves much more than evidence of the existence and contents of a contract. E-commerce has opened the possibility to engage in cross-border business with a low value per transaction. Even if one has the authenticated identity of one's contracting party, it may still be too complicated or expensive to commence legal proceedings against a party. A signature does not in itself result in compliance with contracts and legal rules. A digital signature may, however, be an important part of a more encompassing enforcement concept. The security dimension of signatures only makes sense if one is really willing to embark upon enforcement (instead of accepting the loss). Enforcement in the Internet environment is not something that can be done on an ad hoc basis. The territorial division of the law hampers enforcement in the borderless Internet environment: each country has its own system for determining and administering law. Furthermore, traditional courts are not as yet tailored to the enforcement needs that originate from the Internet.
