It's a full moon out tonight, and two fully grown and vicious beasts are tearing each other apart in the forest, each focused on taking out the other, hungry for blood and, more importantly for revenge. The cause of it all? The oldest in the world: A woman. Alexis is a mostly happy college student, bright and intelligent, lively and beautiful, involved in just about everything she can be on campus, but still, she feels lonely, wishing she had someone to truly love. Then she meets Nick, the perfect man, at a party off campus one night following a full moon, and instantly she feels the connection she's been looking for all these years kindling between the two of them. This is a stand-alone Contemporary New Adult Romance novel. No Cliffhanger. Content suitable for mature readers, contains sexual...
