Reviews

This ebook could be well worth a study, and superior to other. It really is basic but unexpected situations inside the 50 % of your ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Claim your passport to wallet friendly wine travel in the North Puget Sound AVA--find the wines you love at the prices you can afford. Make your tasting notes right in the book, giving you a souvenir of your trip and your wine impressions. Finally, a book that: Focuses on small wine regions rather than whole states. No need to buy a big wine guide that will get outdated before you can visit all of the areas included. Guidebook and tasting journal all in one--find the wineries you want to visit and make tasting notes right in the book. Hear straight from the winemakers what they are passionate about and which of their wines you should try. We've included short interviews with a number of winemakers throughout the book. Narrow down which wineries to visit by the types of wine they produce and the starting price of a bottle. No more stopping at a tasting room only to realize the price is out of your league. Every winery in this book has wines starting at less than \$30. The North Puget Sound AVA is filled with bucolic settings and small family wineries. Escape the hustle and bustle of the big wine regions and enjoy wine in a relaxed and friendly atmosphere. The Pacific Northwest has gained a deserved reputation for the wine that it produces and now, with the help of our Guide to North Puget Sound Wineries you can seek out the best wines at the very best prices for your own enjoyment.
