MOOD SWINGS: UNDERSTAND AND ACHIEVE A MORE BALANCED AND FULFILLED LIFE (PAPERBACK)

Thomas Nelson Publishers, United States, 2001. Paperback. Condition: New. Revised. Language: English . Brand New Book ***** Print on Demand *****. Seventeen million people in the United States suffer from clinical depression, and more than fifty million people find themselves in prolonged emotional lows. Now, for every sufferer, there is hope. Not only are effective counseling methods available to treat depression, but also researchers have made great strides in understanding the chemical makeup of the brain. Mood Swings helps readers understand the causes of bipolar-related disorders -and find effective ways to treat the problem, recover the joy they ve lost, and return to a far more normal, balanced perspective on life. The doctors discuss the extremes and the in-betweens of depression, and show how the highs and lows of uncontrollable mood swings trap the sufferer in a cycle of dysfunction.Mood Swings offers hope to everyone who suffers depression and helps those who love them understand and treat this troubling problem.
