By Christopher Wilkinson, Sakya Pandita

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The present volume is devoted to the writings of Sakya Pandita, and includes a biography of him written by the King of Gungthang, Zhang Gyalwa Pal. Sakya Pandita is famous among the Tibetans for his contributions in the fields of logic, ethics, and folklore. His Treasure on the Science of Logic (Tshad ma rig gter), Discrimination of the Three Vows (sDom gsum rab dbye), and Treasure of Eloquent Aphorisms (Legs bshad rin chen gter) are monumental contributions to their classes of literature. These works have attracted enormous attention throughout the world, particularly among the scholarly. The present collection of translations is intended to reveal Sakya Pandita's character as a poet who contributed to many fields of art and learning. In his lifetime he worked hard at the reconstruction of Samye Library, one of the very first edifices constructed during Tibet's dynastic period. He contributed largely to efforts at public education and a clear presentation of the Buddhist teachings. He is best known to political historians for his travel to China, where he went with his two nephews and was effectively...
