Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Benielyon and Eloah is an allegory about how we were not created to live under the circumstances but to rise up and live above them, using the power that Jesus won back for us. Two fairy children grow up observing the way that their people are oppressed and manipulated by invisible enemy forces. After they learn to breath the high air of being in the presence of the King, they bring transformation to their world and freedom from oppression to many people. Parental guidance is suggested, as this book was my way of working through a lot of issues that I found disturbing in day-to-day life in this country. I felt that I found resolve, but my sister found the book disturbing. Everyone is different, I guess.
