Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Peace in Your Hands and Happiness in Your Heart wants to cultivate the ability and power that a human being has in her or his mind to be implemented in actions that will not just benefit a single person, race, belief or ethic but which will lead a mankind to think about the world as one continent, country, county, town or plot. The book is also trying to give the habit of viewing any race, belief, ethic and/or problem as if you own it. This poetry is written by a young man (but a young in elders) who always wants to be part of old people during his youth life and live as younger when he ll be in his fifties. Most of these experiences are not newer or imaginary to him but logic have took place in his own life. There are poems that relate to orphanage and orphans voices to be delivered to the world. (They are the ones which construct the second chapter). P.S. Every single cent of my royalty goes to help orphans from AIEO - IAOC.
