Brand New Book ***** Print on Demand *****. .the perfect book for black boys headed in the wrong direction. - T. Johnson, Pastor and Mentor Written from a perspective that many black teens may be unfamiliar with, Message to the Lil Homies tackles behavioral issues by focusing on the root of the problem - poor thoughts. African-American teenagers often hold themselves back, and engage in self-destructive activities, because they believe to be true all the negative hype associated with people of African ancestry. Until young, black men choose to shatter the glass mold that society has shaped them in, nothing great can nor should be expected of them. But on the flip-side, when these young men do decide to take off the rusted shackles that now adorn their beautiful minds, they will surpass all expectations and become the mold-shapers themselves.
