Brand New Book ***** Print on Demand *****.Anthony Sebastian built his fortune as the owner of Commuform, a communications company reaching an international market. His good reputation for servicing his customers was one of the foundations that made doing business with him attractive. That is why Cobrandos of Italy selected his communications package for their facility in 2012. Over the next two years Anthony made it his business to check in with Cobrandos via their representative, a young lady named Misa. The calls were strictly business in the beginning, but over time he managed to develop a friendly relationship with Misa. He asked for her last name but the security policy at her company forbid her from giving him that information. He looked forward to those telephone conversations and one day he realized he was in love with the woman on the other end of the phone. This is the story of his quest for Misa s love and what he was willing to do to obtain it and keep it.
