Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Flossie Eversley, being deliciously naughty, risque, playful, headstrong, and forward, knows exactly what she wants the way she wants, and exactly how to get it. The very minute she and Captain Jack Archer set eyes upon each-other, they both know they want nothing more than to devour one another in true gamahuchingly-debauched fashion. Ever eager to please and equally eager to share, she directs Captain Jack s talents towards her friend and guardian Eva Letchford, who is only too willing to take considerable pleasure in taking his considerable member. And when the deeds are done, they fall upon Flossie while she loses herself in wild, sexual abandon. This sumptuously written work of Victorian Erotica is by far one of the most saucily charged, and will be sure to take pride of place among any discerning collectors treasured catalogue.
