

Big Book of Sea Life to Color Dover Nature Coloring Book

By Ruth Soffer

Dover Publications. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 10.8in. x 8.2in. x 0.5in. Explore oceans and beaches across the globe with this giant-sized collection of 133 full-page drawings. Hours of coloring fun await, with realistic images that depict the splendid variety of underwater life, from seahorses, turtles, and jellyfish to jackknife clams and cone shells. Your journey begins in the warm and shallow waters of the Caribbean and South Pacific, where coral reefs teem with a thrilling diversity of plant and animal life. Then venture to beaches around the world, coloring illustrations of starfish, crabs, sea urchins, and more than 150 other forms of ocean life. The quest concludes with images of more than 100 familiar and exotic shells, including clams and scallops, as well as white-edged augurs and flamingo tongues. Informative captions offer fascinating details about the illustrations. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

Certainly, this is the finest job by any publisher. I was able to comprehend almost everything out of this published e book. You won't truly feel monotony at any moment of the time (that's what catalogues are for concerning should you question me).

-- **Graciela Emard**

This pdf is indeed gripping and exciting. It was written quite completely and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.
