SPIRITUAL EYES: DESTINATION (PAPERBACK)

iUniverse, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Construction worker Michel Thomas bold, blasphemous, and self-established concepts are wreaking havoc in the world of religion, causing believers to disbelieve and nonbelievers to trust in his self-proclaimed theories. This, in turn, has created a multitude of misguided soul-searchers. Fed up with his arrogant ignorance, a Christian coworker is tasked with afflicting him with a blessed curse to see the spiritual war we face, up close and in person. Michael is taken on a journey for seven days to see for himself what he says is not even true. He meets an angel known as Bernard, who shows him God's wonders: the mysteries of space, crystal colored clouds smooth as mother's milk, a royally perfect sky and ocean, and a sea far greater than any earthly sea. However he also has to witness the darkness. Michael is then whisked away to a terrifying encounter with the dark angel Pan, where he learns all about Hell, the Lake of Fire, and the General-Lucifer himself. It is here that he is given an alarming order-one that could have everlasting consequences for his soul. Will Michael be able to resist the forces of evil vigorously at work to claim his spirit?.
