

The Washington Manual of Rheumatology Subspecialty Consult (Paperback)

By Leslie Kahl

Lippincott Williams and Wilkins, United States, 2012. Paperback. Condition: New. 2nd edition. Language: English . Brand New Book. This concise and practical reference, tailored for fellows, residents, and medical students rotating on rheumatology subspecialty services, covers both inpatient and outpatient management of rheumatology with the same clinical practicality as the widely popular Washington Manual (TM) of Medical Therapeutics. This manual also serves as a pocket reference for medical professionals specializing in rheumatology. It is the result of a collaborative effort of residents, fellows, and clinical faculty from the distinguished Washington University School of Medicine and focuses on how to approach rheumatologic problems. It provides guidance on how to perform the musculoskeletal exam and arthrocentesis, what laboratory testing may prove useful, and which medications are appropriate, including dosages and recommended monitoring, all framed within a brief overview of the major rheumatologic diseases. New features include: * Second color added to help highlight key points* Bulleted format for quick reference to content making it easier for you find information pertinent to your needs* New chapter on the recently elucidated Hereditary Periodic Fever Syndromes* Updated chapter on drugs used in the treatment of rheumatic disease including six biologic agents approved by the FDA since last...
