The Essential Comte (RLE Social Theory): Selected from Cours de philosophie positive by Auguste Comte (Routledge Library Editions: Social Theory)

By -

Routledge. Paperback. Condition: New. 254 pages. Auguste Comte proclaimed himself the founder of sociology and, on the whole, this claim is accepted. His most important work is the six-volume Cours de Philosophie Positive of which this present book is a selective abridgement. Comte, as this selection shows, was a methodological visionary. He was an eminently successful terminological innovator and to him we owe not only sociology and positivism but also biology and altruism. Professor Andreski, in his lucid introduction, assesses Comtes place under six headings, as scientist, philosopher, sociological theorist, sociological historian, reformer and methodologist. But this selection from Comtes works will be most welcomed because it provides a modern English translation of the main body of his thought. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.

Reviews

This pdf is indeed gripping and exciting. It is written in easy words and phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Alayna Kuphal**

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have ever read through during my individual life and might be the finest publication for ever.

-- **Prof. Murl Shanahan DDS**
