Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Over the last few years there have been a complete paradigm shift in this country and there have been many reasons for this. The question is how do we embrace this New World and survive and how do we save the people that we care deeply about? Business ownership has always been the solution to strengthening our families. This book lists 185 easy-to-set up businesses that you can start within 2 weeks and start making money. This business book will go hand-in-hand with my other business book *How To Take Control of Your Own Life: A Self-Help Guide To Starting Your Own Business (Series 2)* at // -- which contains 30 top ways to finance a business; 30 top ways to market a business - along with other great business information. Chapter 2 lists EVERY STEP (checklist) that you will need to take to set up and launch a successful business. With both books you will be well-equipped with every tool that you need to launch and build a successful business. The New World started with GMOs, also called Genetically Modified Organisms, which have been altering foods for the past 20 years and have affected the way that most people think or don t think because these foods (all processed foods) turns off the brain. Global Warming made drastic changes in the weather but GMOs, the Green Movement and Chemtrails totally poisoned the environment. The 2007/08 housing market crash brought even more despair when you had everyone living in parks on one side of the street and on the other side of the street, you had empty homes owned by banks. The quality of schools deteriorated when Corporate America started downsizing and outsourcing...
