Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Set against the backdrop of Colorado's recent historic legalization of marijuana, *A Life At High Altitude* is a departure from the typical stoner/dealer/smuggler fiction so commonly found in marijuana literature. *A Life At High Altitude* is an endearing, mature, philosophical story of one woman's life journey. Preston is on a corporate retreat with a group of chemical engineers working for the Ronsonto Chemical Corporation out of Saint Louis, Missouri. A brief fling with Preston leaves Rosalie pregnant, resulting in a marriage that takes her out of Colorado landing her in Saint Louis. However, the marriage ends quickly in divorce and a bitter child custody battle ensues, stripping her of all maternal rights and preventing her from ever contacting her three year old son again.
